What a difference a day made,
twenty four little hours
Brought the sun and the flowers
where there use to be rain

Un jour de différence
Dans toute une existence
Ca n'a pas d'importance
Semble-t-il et pourtant

My yesterday was blue dear
Today I'm a part of you dear
My lonely nights are through dear
Since you said you were mine

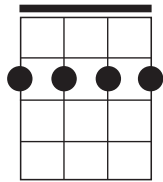

Les journées semblent grises
Vingt-quatre suffisent
Pour qu'on la trouve exquise
Que faut-il simplement ?

Oh, what a difference a day made
There's a rainbow before me
Skies above can't be stormy
since that moment of bliss
That thrilling kiss

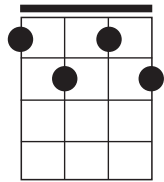

Il faut bien peu de choses
Le parfum d'une rose
Un sourire qui se pose
Sur vous tout doucement

It's heaven when you
find romance on your menu
What a difference a day made
And the difference is you

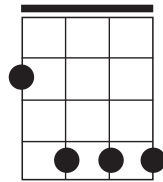

J'en fais par vous l'expérience
Et c'est pourquoi je pense que
Un jour de différence
C'est quelquefois beaucoup.
