Sun is shinin' in the sky There ain't a cloud in sight
It's stopped rainin' ev'rybody's in a play And don't you know It's a beautiful new day hey,hey

Runnin' down the avenue See how the sun shines brightly in the city
On the streets where once was pity Mister blue sky is living here today hey, hey

Refrain (2x)
Mister blue sky please tell us why
You had to hide away for so long Where did we go wrong?

(solo)
Hey you with the pretty face Welcome to the human race
A celebration, mister blue sky's up there waitin' And today is the day we've waited for

Refrain (1x)
Hey there mister blue
We're so pleased to be with you
Look around see what you do
Ev'rybody smiles at you

(pont)
Mister blue, you did it right But soon comes mister night creepin' over
Now his hand is on your shoulder Never mind I'll remember you this
I'll remember you this way

(Refrain)
Hey there mister blue We're so pleased to be with you
Look around see what you do Ev'rybody smiles at you (fin = C – G - D)
