Mother Mother Mother, I met a man today
 Mother Mother Mother, he's perfect in everyway
 With a natural sophistication and a 4 year college education
 Mother I know you'll love him so

Cause he's a sentimental gentleman from Georgia, Georgia
 Gentle to the ladies all the time (*so gentle to the ladies*)
 And when it comes to lovin' he's a real professor (*a PhD, yes sir*)
 Just a Masson Dixon Valentine (*Valentine, valentine*)
 Oh see those Georgia peaches hanging around him now
 Cause what this fellow teaches nobody else knows how
 That sentimental gentleman from Georgia, Georgia,
 Gentle to the ladies all the time (*Mother mother advise me what to do*)

*As your mother I feel it is my moral obligation to forestall a very likely situation
 in which you, my daughter, will eventually be broken hearted,
 because of a friendship which never should've started
 So take the advice of your mother my dear child and forget about this man,
 this so called Masson Dixon Valentine Go find yourself someone more gentlemanly
 And less sentimental to the ladies all the time*
 Oh Thank you mother dear , I'm so grateful to you
 But I forgot to mention : I just got married to
 That sentimental Gentleman from Georgia, Georgia
 He's so gentle to the ladies, all the time (*he's wonderful*)
